

Exhibitor Focus

ABOUT HIGHLAND PARK DISTILLERY

Highland Park have two sides to their business; one is the whisky making side (distillery) and the other is the visitor experience side.

The production team carry out duties at the distillery involving the process of whisky making while the visitor experience team are based at the Distillery Visitor Centre giving people tours and tastings. At the Albert Street retail store, visitor experience staff serve customers looking to purchase whisky.

Highland Park have two sites in Kirkwall, The Distillery on the Holm Road and the Albert Street retail store. They employ around 35 people in the production team and 10 in the Visitor Experience team.
