ABOUT MARSH COMMERCIAL

Marsh Commercial are an insurance broker and they provide insurance, risk management and employee health and benefits advice to a diverse range of clients. They have over 50 offices located throughout the UK, including an office in Kirkwall. The business employs over 1,600 people within the UK.

CAREERS

As an insurance broker, the majority of the roles are either working with their clients who have a risk they need to insure or dealing with their insurer panel who provide the insurance policy for their clients.

Careers can start within our administration team, which is the perfect opportunity for those starting out their insurance careers, and can progress into roles working directly with their clients talking them through the products and solutions they offer. These roles can either be located within the branch or meeting with clients in person.

With more experience you would be able to progress into leading teams of staff or even an entire branch. You will also have the opportunity to gain qualifications with the Chartered Insurance Institute.

OPPORTUNITIES

We offer **apprenticeships**, **graduate** roles and entry level positions so there are opportunities for everyone to join our great business.

The insurance qualifications mentioned are a huge bonus to your career with Marsh as these are funded by us to help progress your career.

SKILLS

Some of the skills needed to work with this business include:

- Excellent written and verbal communication
- Organisational skills
- Attention to detail
- Sales

QUALIFICATIONS

Being able to demonstrate you are hard working in addition to the skills listed above is much more important than things like university degrees.

However, being strong and having passed exams in areas such as Mathematics and English is important.

Having a university degree can help you to pass some of the insurance qualifications quicker too!
