

Exhibitor Focus

ABOUT SANDANDER

Santander are a digital bank with a human touch. Their main focus is to help people and businesses prosper. They achieve this with their wide range of accounts and services including bank accounts, tailored savings plans, lending solutions, business facilities, insurance options, and act responsibly by offering support to their customers with digital safety and scam awareness at the forefront of their interactions.

They have a local branch in Kirkwall which is part of a larger branch network across the UK. Santander UK plc is part of Banco Santander who operate worldwide.

The Kirkwall branch consists of seven onsite staff. Branches vary in size and staffing volumes and there are also many colleagues who work from home and in bigger sites to support other business areas of Santander. In all, they employ 200,651 employees across the company.

CAREERS

Santander help people to build their careers in whatever field they have the most interest, and that suits their skillset. Some of the careers available include:

- Customer Service
