BUSINESS FOCUS: NORTHLINK FERRIES

ABOUT OUR BUSINESS:

Serco operate three passenger vessels on the Orkney and Shetland routes: the MV Hjaltland, MV Hrossey and MV Hamnavoe. Our ferries operate 363 days per year providing a lifeline service to the Northern Isles, with islanders, visitors, goods and supplies all travelling by NorthLink Ferries.

OUR CAREERS

NorthLink Ferries offer positions in different departments, including Customer Service, Operations, Freight and Marketing. There are opportunities to learn with Modern Apprenticeships both onshore and offshore, as well as Cadetships, with seasonal positions also available.

Some of the careers available include: Passenger Service Assistants, Chefs, Cleaners, Engineering positions, Engine Ratings, Captain, Officer positions, Hotel Directors and Pursers, Cadet/Boatswain/Deck Ratings, Shop Managers and Assistants, HR, Reservations and in the Call Centre.

SKILLS

The skills we look for depend on the position, but being friendly, flexible and a quick learner apply to all!

For a Passenger Assistant position, we look for experience in retail, hospitality or other customer service environments, as well as cash-handling skills and working to a roster system, but there are training opportunities.

Some jobs require more specific qualifications, particularly if working onboard or in certain areas such as Finance or Marketing.
