EDUCATION FOCUS: ORKNEY COLLEGE UHI

ABOUT ORKNEY COLLEGE UHI

Orkney College UHI is one of 13 academic partners that make up the University of the Highlands and Islands. We deliver a wide range of courses spanning the entire Scottish Credit and Qualification Framework. In practice that means all levels of qualifications from working with young people still in school right through to postgraduate research. There is something for everyone at Orkney College UHI, meaning you don't have to leave the island to pursue qualifications.

WAYS TO STUDY

Orkney College UHI offers you different, flexible ways of studying, so that you can fit your learning into your lifestyle. You can study part time or full time, from a distance, online or come into one of our campuses – the choice is yours.

We use technology in an innovative way to ensure maximum flexibility in our courses to allow you to fit your studies around your personal and professional commitments.

If full-time doesn't suit you, the majority of our courses are also available to study on a part-time basis, and you can even study on a module-by-module basis and build up your qualifications over time.

Many courses are available to study online from your home or place of work – or anywhere with an internet connection!
