

# Careers Week

## EDUCATION FOCUS: ORKNEY COLLEGE UHI

### OUR COURSES

We have over 100 courses and opportunities, from school leaver to postgraduate. Locally, we offer courses in the following areas:

- Maritime
- Engineering
- Business Studies
- Computing Studies
- Art and Design
- Archaeology
- Agriculture
- Horticulture
- Agronomy
- Hospitality
- Health
- Social Care
- Education
- Northern Studies

We also offer a range of progression courses through our Inclusive Practice Department to enable young people to access further education designed to boost confidence and develop a sense of achievement, offering progression onto education, training or employment. Courses include: Pathways to Independence, Future Tracks and Stepping Stones.

There are also opportunities to study other courses offered by other partners in the University of the Highlands and Islands via distanced learning.

### QUALIFICATIONS

Orkney College UHI considers all applications on merit and on the basis of ability to achieve, without discrimination. We welcome applications from all prospective students, including care leavers and those who act as carers, and aim to provide appropriate services to students with learning support needs or disabilities.

Our courses have different requirements for entry, dependant on the course. We publish entry requirements on each individual course web page on our website, indicating the minimum entry qualifications required to succeed on the programme. Please check your chosen course for required grades and further details.
