37.5 hours per week
Monday-Friday

Based in our
Quoyloo office

We are looking for a junior designer/print finisher to join the iDesign team.

Responsibilities would include (but not limited to):

- graphic design as well as other areas of design
- printing/finishing of a wide range of products
- working closely with and assisting other team members
- time management
- assisting with all other tasks and projects as needed

Requirements:

- the position would ideally suit someone who has either recently qualified (or is soon to qualify) within the design field or a school-leaver who is looking for a career in design and shows a keen interest and creative flair
- the ability to bring creative ideas to the team in order to develop new products
- the ability to give and receive constructive feedback
- a strong eye for attention to detail
- be able to work effectively in a busy environment and cope well under pressure in order to meet deadlines
- good communication skills in order to work well with the team/customers
- knowledge/experience of Adobe software would be advantageous

On-the-job training would be provided to the successful applicant.

The wage would be dependent on qualifications/experience.
As training progresses, the wage would reflect this.
