

**“Tourism and hospitality in Orkney is massive and can only get bigger.**

**Studying Tourism and Hospitality at Orkney College UHI helped me realise my potential and am looking forward to the next steps in my career.”**

## **Kit Bichan**

### **Front of House Manager at Archive Coffee**

“I left school after 6th year and studied **Events Management up to HND Level** at Jewel and Esk College in Edinburgh.

“I then travelled and worked in Australia for an events company that hired out decorations and furniture. I helped in the setting up and take down of the stock in various locations in Sydney.”

**Here is what studying at Orkney College UHI has helped Kit to achieve:**

“I came back to Orkney to finish my **Degree in Tourism and Hospitality** at Orkney College through the University of Highlands and Islands. I gained a first-class Degree at Honours level.

“I then started seeking full time employment. I realised my love and passion lay in hospitality and so I applied and got the Front of House Manager Job at Archive Coffee when it opened and am still there now.

“I am also lucky enough to be part of the management in a second venture opening up on the street this Summer.”
