Work Experiences:

I have worked at a burger chain. My roles were cleaning the restaurant, serving customers, taling money, working in the Drive trthrough and sometimes cooking the food. I left because they were an unreasonable employer. Before this, I worked as an office junior fore a company doing paperwork and answering the phones.

Interests

I really enjoy going out with my friends and playing football and tennis. Whn I can, i got o watch live music by my favourite bands.I enjoy clubbing and go when I can afford to, otherwise I like to play games on my xbox or watch TV.

I can come for an interview on Tuesdays, Wednesdays or Fridays as I have football training and am busy at the weekend.
